<b>URL / WEB</b>	<a href="https://personas.upct.es/perfil/juan.cegarra">https://personas.upct.es/perfil/juan.cegarra</a>

3. Dates	
<b>Place</b>	Online teaching through team application
<b>Date</b>	28 October // 25 November
<b>Hours</b>	17:00 to 20:00 h.

#### 4. Course objectives

In order to ensure that contributions to conferences and publications have a greater impact, it is necessary to publish openly and promote them on social networks such as *LinkedIn, Medium, Publoms or Researchgate*. For this purpose, videos or webinars can be used. This course aims in a simple way to give some brushstrokes on these strategies to make our publications more accessible and ultimately more cited.

#### 5. Theory programme

1. LinkedIn, Researchgate, Youtube and scholar google.
2. Web of Science, SCOPUS and Publoms.
3. Standard Curriculum Vitae (CVN)
4. Make your first video Camtasia 2020.
5. Present your video in a Webinars.

#### 6. Practical programme

1. Create a post on LinkedIn about your line of research that meets the following requirements: # an attractive title; # a summary that leaves your followers wanting more; # a theme that is easy to understand; and #), a clear and sweet wake-up call.
2. Create a project on your Researchgate profile and invite your directors/supervisors to participate.
3. Make a short video (maximum 5 minutes) that summarizes a presentation at a conference and upload it to Youtube.

#### 7. System of Evaluation

- The connection to the on-line theoretical sessions is mandatory.
- Students must carry out the practical exercises proposed in each of the topics.
